# THE 2010 SOUTH CAROLINA SHORT COURSE STATE CHAMPIONSHIP

February 12-15, 2010

**ELIGIBILITY:** All swimmers and teams must be currently South Carolina registered members of USA Swimming. All swimmers entered must meet or exceed the South Carolina State Meet Qualifying Standards in **EACH** event entered. All swimmers shall have previously met a state meet individual event qualifying time standard in the age group of the relay event in which they swim.

Entries times submitted must meet a South Carolina State Meet Qualifying Short Course Yard or Qualifying Long Course Meters time. Times must have been achieved on or after February 13, 2009 and prior to the entry deadline. Entries times will be reconciled against the USA Swimming National Times Database (SWIMS). If any entry times are not in the SWIMS database, you will be required to provide proof of time as outlined above. PPT will provide the LSC with a printout of the times that will need to be proved prior to the seeding of the meet.

The multi-age group events will be set up with different events numbers for each age group. Swimmers should be entered in the correct age group. The events will then be combined in the meet manager software and the events will be contested as specified in the meet information. This will allow for the verification of the entry times for each swimmer in each entered event.

**ENTRIES LIMIT:** All swimmers may swim three (3) individual events per day exclusive of relays. A time trial is counted as an individual event. Teams may enter as many relays as desired.

**PROOF OF TIME:** A fine of \$100.00 will be levied against the club (or if unattached, against the swimmer) when a swimmer fails to swim a time equal to or faster than the South Carolina qualifying standard for each event at the South Carolina Short Course State Championship and the club (or swimmer, if unattached) is unable to prove, using official meet results, that the swimmer has met the qualifying time standard in that event in a meet held on or after February 13, 2009 (the first day of the 2009 South Carolina State Short Course Championships). This fine must be paid or the time proven within 45 days from the date of notification. Failure to pay within the 45 day limit will result in the fine being doubled (\$200.00). This notification will be made by the South Carolina Swimming Administrative Vice Chairman using an exception report generated by the host club and sent with the meet results. The enforcement of this fine is the duty of the South Carolina Swimming Administrative Vice Chairman. If swimmers participating in a relay fail to meet the aggregate time, their team must demonstrate, using the above procedure, that the composite time of those four swimmers meet the South Carolina State Championship qualifying relay standard. Fines will be levied as above.

## **ALL ENTRIES MUST MEET OR EXCEED THE STATE QUALIFYING TIME STANDARD IN EACH EVENT.**

**MEET EXCEPTIONS:** Per SCLSC Policy & Procedures, an exception report will be sent via e-mail to the teams who enter swims with substandard entries. The exceptions will be sent out by Friday, February 5, 2010. All corrections must be received within 24 hours of the time stamp of the exception e-mail or the entry will be scratched from the event. Due to time constraints please plan accordingly.

Per SCLSC Policy & Procedures, a preliminary meet psych sheet shall be posted within 72 hours following the meet entry deadline. Coaches will have 48 hours upon notice of posting to review the psych sheet and notify the meet host of any corrections. Coaches cannot change athlete's events or times once entries are received (except as currently stated in the P&P where non-conforming times can be changed within 24 hours of notification by the host team to the athlete's coach). Only omissions can be corrected at the published cost of the event.

**ENTRY DEADLINE:** **ALL entries MUST be submitted no later than 11:59pm Wednesday, February 3, 2010.** Full payment and all required paper work must be received for your entry to be accepted. Questions, up to the deadline, can be addressed to Mike Ingraham ([MEIngraham@Charter.net](mailto:MEIngraham@Charter.net) or (864) 431-4220) or Peter Wright ([ScarletPete@Hotmail.com](mailto:ScarletPete@Hotmail.com) or (864) 433-9623). Participating teams are responsible for the delivery of their entries on time. **No changes to meet entries can be made after the deadline except for non-qualifying times or corrections as discussed above.**
